in re: United States v. Andre Wilburn, case no. 19-CR-108(MKB)

Dear Judge Brodie:

The defendant, Andre Wilburn, respectfully writes this letter to the Court seeking an extension to file his Notice of Appeal. This request for extension is based on the most recent of the prejudicial interferences with his access to the Courts and free flow of mail at Brooklyn Metropolitan Detention Center.

On November 13, 2021, the defendants sealed his "Notice of Appeal" and submitted it to the officer on duty as per mail policy. Any correspondence addressed to the Court is "special mail."

On November 25, 2021 the defendants Notice of Appeal was returned to him with no post marks and the envelope opened by the facility staff. This is a flagrant violation of the defendants Constitutional Right to the free flow of mail and Access to the Courts.

The defendant seeks an extension to ~~his~~ file his Notice of Appeal, the original attached to this letter.
